

VOLUNTEER POSITION

Communications Coordinator

Central Coast Heart is a collaboration between the region's three netball associations to promote the sport and provide pathways from grass roots to elite netball for local players, coaches and officials.

Based on the Central Coast of New South Wales, Central Coast Heart draws its players and coaches from north of the Hawkesbury River into the Hunter region and beyond.

Central Coast Heart is seeking a motivated individual with communications, marketing and/or media experience (and, ideally, a passion for netball) to work with its volunteer Board and Committee to coordinate its communication strategy including:

- building and managing the Central Coast Heart brand,
- being the leader in delivering netball-specific news (i.e. the go-to for “all things netball”);
- media liaison,
- promoting the sport and Central Coast Heart’s teams, and
- providing exposure for Central Coast Heart sponsors and events.

For a confidential discussion, contact Bronwyn Rumbel on 0459 193 400.

To register your interest submit your resume along with a brief covering letter/e-mail to info@centralcoastheart.com.au
