### NETBALLS COME IN COMPOSTABLE BAGS.

The first time any netball has come in compostable bags. SUMMIT Netballs will move from recycled bags, to composting and paper bags only.

### A FIRST IN RECYCLED RUBBER TECHNOLOGY.

Innovation in ball technology, SUMMIT has created a netball with recycled rubber content. With 75% reclaimed rubber, we are making a difference with every ball.

### FOAM IN RUBBER SHEET TECHNOLOGY

Using our technology from soccer balls, we have developed the first foam layered netball. This gives a softer touch and allows for better grip.
