BIG TOE HOLE PREVENTER

BY TRAINER ARMOUR

Trainer Armour Big Toe Hole Preventer is a reinforced self-adhesive patch and applicator system that prevents your big toe wearing a hole in your expensive footwear.

Big Toe Hole Preventer is a thin patch that fits inside your footwear, just above your big toe, and is designed to be unnoticeable after fitting. It is manufactured from tough abrasive and tear resistant material.

BLACK: BTH001 | WHITE: BTHW001

PREVENT BIG TOE HO!

Fit preventer patches in running shoes or trainers to stop the holes appearing

Suitable for shoe sizes from 3 up to 12

The applicator ensures self-adhesive patch is positioned in the correct place every time

HEEL HOLE DREVENTER

BY TRAINER ARMOUR

Fed up with those annoying heel holes ruining your favorite shoes? Trainer Armour has the answer: innovative, wrap-around patches that are both protective and discreet.

BLACK: HH001 | WHITE: HHW001

CA PREVENT & REPAIR HEEL HOLE

Suitable for all shoe sizes and will work with most types of footwear

Clever backing film means you won't get your fingers stuck to the adhesive

LARGE 'WRAP-AROUND STYLE

'Wrap-around' style prevents and repairs holes all around the heel area - not just at the rear

CAN BE TRIMMED TO SUIT

If required, patches can be trimmed to suit a specific shape
